

The TSDK software is distribution controlled. The TSDK software is currently only distributed to Architecture Collaboration Working Group (ACWG) member organizations and their employees. If your organization is a member of ACWG, the POC for your organization should fill out the information below to verify your organization as a member of ACWG. If your organization is not a member of ACWG please email ACWG Administration team at [usarmy.redstone.devcom-avmc.mbx.acwg@army.mil](mailto:usarmy.redstone.devcom-avmc.mbx.acwg@army.mil) for more information.

Please provide the information below and send us a completed copy of this form by email to [POCRegistration@joviansc.com](mailto:POCRegistration@joviansc.com) with the subject: "POC Request – [your organization name here]. Once the information is verified Jovian will send to you the TSDK package that you may distribute to individuals within your organization.

Note: This request must be sent from your work email account for yourself. Requests submitted on behalf of someone else will not be honored.
